

HISTORY AND POLITICAL EDUCATION

1. The information on our past is obtained using traditional and modern records, Artifacts. The modern records have taken one lead in provision of historical data majorly news papers, letters, novels, magazines, DNA, internet etc. However senior one class has missed the above information claiming that traditional sources have provided a lot of historical data.

Task

You have been appointed to support traditional sources present the advantages and disadvantages.

2. “In the modern generation of today many youths think that studying our past and management of society is a wastage of time while others think that it’s essential to learn and understand our past since it traces our origin and culture.

You have been appointed to work with cultural heritage of East Africa to market the African culture abroad.

Task

(a) Trace the cultural sites in;

- Uganda
- Kenya
- Tanzania

(b) What could be the reasons for promoting cultural heritage?

3. East Africa has over 100 tribes and the most famous ones are Baganda, Kikuyu, Akamba, Nyamwezi, it’s believed that the majority one are the Bantu from Cameroon and Congo as their origin. Their coming led to formation of centralised system of administration. However today, the majority tribes have left one in home places to stay in desired places in which the historical researchers have failed to know.

Task

Help the historical researcher to trace the current migration in East Africa.
