

S.3 TERM 2 HOLIDAY WORK
ART AND DESIGN (IPS 612/1)
ART HISTORY AND STUDIO TECHNOLOGY (THEORY)

INSTRUCTIONS:

(i) Answer **all**

Item 1

Mr. Mutebi is a self-taught artist; he makes different art works using different materials from the environment. People like his art works because of the creativity he exhibits when making them. One day Mr. Mutebi organized an art exhibition and one of his clients bought one item as shown in fig A. the client wanted Mr. Mutebi to explain how he came up with such art work unfortunately Mr. Mutebi could not explain well.

Task

You have been approached by Mr. Mutebi, to explain in writing to his client the type of work produced. The materials and tools that can be used to make such art work, the procedure of preparing the material and the process of producing the art work.

Item 2

Your school is organizing music, dance and drama competitions next term. The four competing houses were requested to make costumes for the performance. Unfortunately, the house patrons have no knowledge on how to create a design.

Task

You have been approached by one of the house patrons to explain to him how a good design can be made and create for him a design that can be used to design the costumes.
